**Eco Focus display:**

The new display features a prayer for care and creation.

A new (in western thought) awareness of a “ woodwide web” of trees inter-relationship communicating through their roots in the soil.

The display is worth a read as we move to the Theme Christ in all creation on November 13<sup>th</sup> (Article in New Scientist)

The poster features a scenic background of a mountain valley with mist. At the top left is the Hutt Valley Community Choir logo, which includes a stylized mountain range. The text on the poster is as follows:

Thank you to everyone who purchased tickets and attended Mrs Harris Goes to Paris last Monday. What a film – I think I can speak for everyone – it was great getting together, watching a superb film, some winning spot prizes, and going home with a happy smile on my face. Thank you to those who donated Spot Prizes, Liz, Amanda and Elaine (our Christian Dior Model for the night) and all of you who attended. We sold 79 tickets, 72 attended on the night, and we made approx. \$668.00 for the Hall Fund, well done everyone. Watch this space in the New Year of 2023 for another Movie night. Signing off for now – Margaret Miller

## Hall Upgrade – Update

### Donations Received

We now have a total of **\$79,312 donations**, being \$68,312 committed; and \$11,000 qualified (refundable if the project doesn't proceed).

**That is approximately another \$10,000 this week, and a jump in numbers of contributors!! That shows a great level of commitment by our parishioners to our church and to the hall upgrade project.**

**Our ongoing thanks to all the donors for their support.**

### Mrs Harris Fundraiser

There will also be the proceeds to be added to our hall fund from the enormously successful fundraiser this week "Mrs Harris Goes to Paris". Although we are awaiting the GST deduction calculation before we have the final figure to augment our Events funds, we know that 76 people attended the movie – very nearly a full house!

Many thanks to Margaret Miller for organising this wonderful event for us to enjoy; and to add to our fund-raising efforts.

**Donations Request** – If you have yet to respond to our request for donations, you can respond by

- Replying to the email of request sent out via Infoodle; or
- Returning your completed donations form to the office, noted "Confidential" for Raewyn's attention.

Further copies of this form are available from the office.

Mrs Christina Naseri, recently inducted National Chaplain for the Order in New Zealand, will be visiting our parish on Sunday 6<sup>th</sup> November. Christina will be present at St James' Church for the 8:00am and 10: 00am services to preach and offer prayer ministry.

### **The Order of Saint Luke the Physician in New Zealand**

is an interdenominational Christian Ministry dedicated to fostering wellness, wholeness and healing of body mind and spirit. Members foster this practise through intercessory prayer, the prayerful laying on of hands and by anointing with blessed oil. The objective of the founders of the Order was to encourage church congregations to practice healing ministry regularly, as part of their worship services.

**Monthly Wellness, Wholeness and Healing Gatherings will be held at All Saints - Belmont! on the first Sunday of each month at 3pm**

We follow our meeting with a light bring and share afternoon tea.

Blessings, peace and Light,

[Lynne-Stella](#)

### **SAINT JAMES GRAVEYARD.**

As we continue to upgrade and care for this sacred space we reflect on how very fortunate we are to have our loved ones in our church grounds. There are not many churches these days that have such a privilege.

This space deserves our respect and regular care. There are some headstones that are regularly tended but there are many that are not. This is due to the fact that there are no relatives living in the area or the elderly who are no longer able to come to the graveyard except for a short visit.

I would like to form a new group called "Friends of the Graveyard". At this stage I would envisage we would aim to clean the headstones and clip the edges etc. two or three times a year. One would definitely be before Easter and one before Christmas and one other. If our group increases in numbers it would be great to care for this area more often.

It is a very pleasant task shared with others who value this area. Many of us would know a large number in the area where the headstones are for those whose Ashes have been interred.

Only recently I met with a relative who has an ancestor buried there and whose headstone was no longer visible but was just a few years ago. She knew the exact area and after some digging this was found which was great. She has expressed an interest in being part of the team I am suggesting so this, to me, is another form of outreach to our community.

I have also spoken with the council employee who heads the team responsible for the upkeep of our grounds and he is very keen to be involved. We have a wonderful working relationship with him.

If you are interested in joining this group or have other questions regarding the graveyard you could talk with the following at church or email:

Liz - [wj.friend@xtra.co.nz](mailto:wj.friend@xtra.co.nz) , Margaret Miller - [MillerMargaretm@outlook.com](mailto:MillerMargaretm@outlook.com) or Phil Gibbons – [philip.gibbons46@gmail.com](mailto:philip.gibbons46@gmail.com).

I look forward to establishing this important group.

Liz Friend

The Chapel in St James' church is being painted at the moment, and will take 2-4 weeks to be completed. During that time the Chapel and the Sacristy will not be available for use. When the signs are removed. It will be safe to re-enter these spaces.

**Thursday 10am service** - will be held in the Children's Room until further notice

**Sacristy items** - are in the Clergy Vestry. If something is missing please contact me.

**Home communion supplies** – will be available on request for me. Please arrange in advance of arriving, so that you are not waiting for appropriate health and safety protocols to be followed.
