Kia ora koutou,
I'm Brian Dawson and I'm looking forward to spending time with you all while Annette is away on sabbatical.

I'm a Hutt boy from way back, growing up in Stokes Valley, attending Naenae College and doing church and youth group at St Matthew's, Taita, way back last century. Today my wife Karen and I own a home in Stokes Valley, but

currently live in Wellington city. Karen teaches at Porirua College and I look after the electorate issues for the Member of Parliament for Rongotai, with a particular focus on the Chatham Islands.

I was trained and worked as a Methodist minister but have been an Anglican priest since 2000, with appointments as Associate Priest in Rotorua, ten years as Vicar of Havelock North and then Vicar of St Peter's, Willis St for four years. In 2016 I was elected as a City Councillor in Wellington and did that for three years. Today Karen and I are part of the Ministry Team for Tangi te Keo Rohe, a Tikanga Māori parish within Te Hui Amorangi te Upoko o te Ika.

As Interim Priest in Charge my role is to essentially keep the waka moving in the right direction, so no major course changes or deviations! I'll be available as needed and welcome any and all contacts, especially if they involve appropriate refreshments!

Arohanui

Brian

WELCOME BACK

Chris and John Low,

After a hiatus of 2 years we welcome Chris and John back into our midst for a few months, Chris will be taking services and preaching and John will be assisting and serving in outreach and services.

GO WITH OUR LOVE AND PRAYERS

"Annette our Vicar is going to be away with her family for a three-month Sabbatical starting Sunday 20th November. She will be back with us for an all-in-service on Sunday February 12th 2023.

In case you were wondering what, a priest gets up to on a Sabbatical, it is a time of refreshment and rest. Annette is going to be taking a road trip around the South Island, beginning by heading down the East Coast, popping over to Stewart Island and then back up the West Coast with lots of stops along the way. Then a longer time in Nelson with family.

We can expect to see photos, and even some artwork on her return. She asks that you please keep her and the family in your prayers."

THURSDAY WAFFLES.

Ten tables, 40 chairs, plates, knives, forks, hot chocolate, the mixture is made, we are ready. How many will we get this week? 80 plus students from local schools come to waffles each week. They make their own waffle and sit down. It is a very busy 2 ½ hours. There is a Youth Support team who interact with the students, and a kitchen team. Are you an early riser, can you help for an hour (or more) We would love to hear from you. Margaret- 027 230 5745 or David - 022 098 2694

SAINT JAMES GRAVEYARD.

As we continue to upgrade and care for this sacred space we reflect on how very fortunate we are to have our loved ones in our church grounds. There are not many churches these days that have such a privilege.

This space deserves our respect and regular care. There are some headstones that are regularly tended but there are many that are not. This is due to the fact that there are no relatives living in the area or the elderly who are no longer able to come to the graveyard except for a short visit.

I would like to form a new group called "Friends of the Graveyard". At this stage I would envisage we would aim to clean the headstones and clip the edges etc. two or three times a year. One would definitely be before Easter and one before Christmas and one other. If our group increases in numbers it would be great to care for this area more often.

It is a very pleasant task shared with others who value this area. Many of us would know a large number in the area where the headstones are for those whose Ashes have been interred.

Only recently I met with a relative who has an ancestor buried there and whose headstone was no longer visible but was just a few years ago. She knew the exact area and after some digging this was found which was great. She has expressed an interest in being part of the team I am suggesting so this, to me, is another form of outreach to our community.

I have also spoken with the council employee who heads the team responsible for the upkeep of our grounds and he is very keen to be involved. We have a wonderful working relationship with him.

If you are interested in joining this group or have other questions regarding the graveyard you could talk with the following at church or email:

Liz - wj.friend@xtra.co.nz , Margaret Miller - MillerMargaretM@outlook.com or Phil Gibbons – philip.gibbons46@gmail.com.

I look forward to establishing this important group.

Changes to Chapel, Sacristy and The Nest

The Chapel and the Nest space in St James' church is being painted at the moment, and will take some time to be completed. During that time these spaces will not be available for use. There are signs on both Chapel doors and the outside sacristy door to remind us not to enter, there also is now scaffolding in the space around the nest.

There is a plastic curtain around the base of the scaffolding, but we still request that children are monitored closely around it.

Thursday 10am service - will be held in the Children's Room until further notice.

Sacristy & Home communion supplies are in the Clergy Vestry. If something is missing or needs replacing, please contact the parish office

The Nest – Will be based in the youth room within the foyer whilst this work is being carried out.
