Prayers this week

E te Atua, God of love,
hear our prayer.

E te Atua, our creator
You speak to us out of the storm,
We cannot know Your ways,
And yet through Your beloved Son
You make of us Your church.
In all our ministries and places of worship,
Help us to show forth Your glory,
But never to take it for ourselves.
Help us to do Your will,
Never to replace it with our own poor
desires.
Help us to see Your wisdom,
Never obscuring it from the world.

E te Karaiti, Christ our friend and brother,
Redeemer.
You came to save the world,
Even those who reject peace.
We pray for those places of conflict around
the world,
those both seen and the unseen.
We pray also for other places that need Your
justice, O Lord.
Where people suffer from the extremes of
weather,
from broken economies,
We pray for those places where hope is hard
to find.
Help us all to learn Your obedience.

Wairua Tapu, Holy Spirit
We pray for Your loving and healing
presence among us,
In our homes, our families
In our communities
In our dealings with those we know
And those we do not know.
Show us how to listen, and to do what is
necessary.

Grant us what we need,
Today, and in the days to follow.

Amen.

Vegetable gardens at Chilton Saint James School

Over Term 4, Chilton Saint James School are planting raised vegetable gardens.

If you have some time and any gardening knowledge to share, they'd love your help!

They will be starting after school holidays (14 October).

Contact Fiona 022 068 5573,
fjestrachan@gmail.com
for more details.

Even the smallest things count!

The parish has taken another step in becoming a more eco-friendly church by purchasing toilet paper made from recycled paper.

In this situation, we benefit from this switch as these toilet rolls are cheaper than ones we used before.

It's unusual for toilet paper to be interesting or good news. Every little bit we do to improve our practice and reduce the impact on our environment is a win for God's creation!

Monday, 21 October

Let's get together over dessert at Fiona's place to take part in the quarterly Eco Church Kaihapai Korero.

For more information go to:

Bottle caps for Children's activity

We are asking for donations of **clean plastic and metal bottle caps** for a Children's programme activity.

Please drop your donations off to the Parish Office at St James' Church.

Reclaim the Hardwick Smith Lounge for our Community
Wednesday, 23 October, 7:30pm
5A Timaru Grove, Kelson

The Lounge was built in the 1980's, with money gifted by John and Allison Hardwick-Smith, and is in danger of demolition.

The Belmont Residents Association (some of our parishioners are members) are holding a public meeting in order to gather support to persuade the Council to return the Lounge to community ownership and control.

A petition on Facebook can be signed to show support. You can also visit the Givealittle page: <https://givealittle.co.nz/cause/reclaim-the-hardwick-smith-lounge>

Synod 2024: A time to gather, pray and plan for the future of God's Church

This weekend marks a significant occasion for the Anglican Diocese of Wellington, as we gather for Synod 2024—a time of reflection, discussion, and decision-making for the future of our church. On behalf of Bishop Justin, Assistant Bishop Anashuya, and the Wellington Mission Units, we extend a very warm welcome to all Synod attendees.

Synod is not just a meeting; it is an opportunity to reconnect as the family of God, to share in fellowship, and to seek God's guidance for the important decisions that shape the life and mission of our church.

The 62nd Synod begins on Saturday, 19 October with a pōwhiri at St Mary's, Karori, led by Kura Moeahu of Taranaki Whānui ki te Upoko o te Ika, before diving into a full schedule of presentations, motions, and discussions. Key highlights include Bishop Justin's Charge, updates on diocesan priorities such as governance and finance, as well as an opportunity to explore the Whanganui Anglicans' generosity campaign with Rev. Caleb Rowe.

Sunday's gathering will feature a visit and tour of Wellington City Mission's Whakamaru project, and Assistant Bishop Anashuya's Charge. Further discussion will be had on discipling communities and diocesan strategic priorities such as climate change, housing, and refugee care.

Please keep all those attending Synod in your prayers, asking for wisdom, discernment, and God's presence to guide the conversations and decisions made. As we gather to seek the flourishing of God's church, may our hearts be open to the Spirit's leading.

Rev'ds Annette, Catherine and Murray, and Synod rep, Fiona, are going to represent the Anglican Parish of Lower Hutt at the Synod.

Anglican Missions and Overseas Mission Tikanga Pākehā

Rev. Guy Benton serves as the Overseas Mission Tikanga Pākehā (OMTP) representative for the Wellington Diocese.

Passionate about mission work both locally and abroad, Guy is committed to living out the mission of Christ and sharing His love across the globe. For over a century, Anglican Missions has supported the Church in fulfilling its call to serve the world. The work continues today, offering Christian witness through telling, teaching, and showing God's love in action—tending, transforming, and treasuring lives in need.

Guy says, “Mission isn’t just an add-on to our faith; it’s a core response to the transformation we’ve experienced in Christ.” He emphasizes that every Christian has a role to play in the Kingdom of God, whether by sending, going, living, giving, staying, or praying.

The work of Anglican Missions relies on the prayer and financial support of people like you. “What I’ve experienced through Christ’s love, mercy, and justice, I want others to experience too,” Guy explains. “We are called to act justly, love mercy, and walk humbly with God. So, how will you respond?”

Guy and the Anglican Missions (OMTP) team are dedicated to equipping and partnering with local faith communities, offering resources, ideas, and practical skills to help churches engage with mission both at home and overseas.

For more details on how to get involved, visit the Anglican Missions [website](#) and stay connected through their e-newsletter and social media platforms. Together, we can continue to build the Kingdom of God—one prayer, one act of love, and one mission at a time.

**An update from your Wardens -
October 2024**

Ooh it is October already

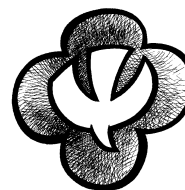

Sometimes it feels as though the year has gotten away on us ! We have celebrated creation and done the theme proud and we are now enjoying spring with the blossom flowers, incredible growth in the garden helped no end by warmer days and yes all that rain. While we are starting to enjoy longer days , a little more heat from the sun, and a sense of sadness as we see the effect on the economy and the pain of claw backs within the public sector. It is tough and while interest rates may drop, the cost of food and petrol does not seem to follow.

So as now we ready ourselves to plan for the last three months of the year it, means a review of the past three months activities and funding , budget planning for the year ahead and includes the events for Christmas and the lead up to it. So lets be realistic and reflect on our aspirations , goals set, those achieved or otherwise.

Vestry is aware are a small team and focused on what is needed not only to maintain our community but also to grow and support our community of faith .

Fellowship asks of us to share our time, energy and skills, so if we approach you to assist please think how best you are able to do this in the lead up to Christmas and actual festivities, if we collaborate and do one extra task then collectively we will head into the last quarter well prepared to reflect on a constructive year with a sense of stronger fellowship and see faith in action.

Lorraine on behalf of the Wardens.
