Prayers this week

Risen Lord, we bless you!

Alleluia.

He is risen, He is risen indeed!

Let the heavens bear witness.

Let the Earth declare Your peace

Praise and thanksgiving guide our path

This is the way!

Jesus you have lifted us
Out of the muck and the mire Out of the grief
and the guilt; You have lifted us from
darkness into light. All we have to do is open
our eyes And claim that amazing grace.

Ko koe te Kaihoko – you are our redeemer
Now we live in your risen life.

Help us, Jesus, friend and brother,
To remember this grace when darkness
threatens to overwhelm us
from days gone by, and in the days to come,
when we forget who we are.

You led us to the Cross
And now,
We are to show forth Your risen life as Your
Church
Ministering in love and in compassion.
We count ourselves dead to sin but alive to
God in Christ Jesus.

Jesus,
May Your Holy Spirit be present
To those living with deprivation, want and
illness;
and the darkness of humanity's wars and
follies.
And to those living in fear, persecution and
chaos,
May they too know Your risen life, Your love
And the hope of your Kingdom

Amen.

Prayers by Rev Māmari Stephens and
Tim Overton.

Anglican Parish
of Lower Hutt

Easter week is a time where we reflect on our lives and focus on the stories of Christ and the disciples, their interactions and demeanors as they walked on their way to Jerusalem. Not an easy journey and depending on what Gospel you read there are different recollections of the events and the trials faced.

Each year there are scenes and people in the story that affect us differently, it is no different on how we experience the week and our life in reflection

This is an opportunity to deeply reflect, to be with other worshippers alongside the cross as it moves through the Hutt, to join in prayer, and song, to share in simple actions of washing another's feet and experience that for ourselves, and then be part of and join with fellow parishioners in communion around the altar.

As a parish we have many blessings – a wide range of talents shared from the creative through to those appreciating beauty provided, the skills of musicians, an intergenerational flock with those that challenge direction, the laughter and joy of little ones in the church, the style and nature of our worship to those providing the calm insight and wisdom of our clergy that guide us.

May we get to experience peace here on earth as well as in heaven.

Our Community Hall

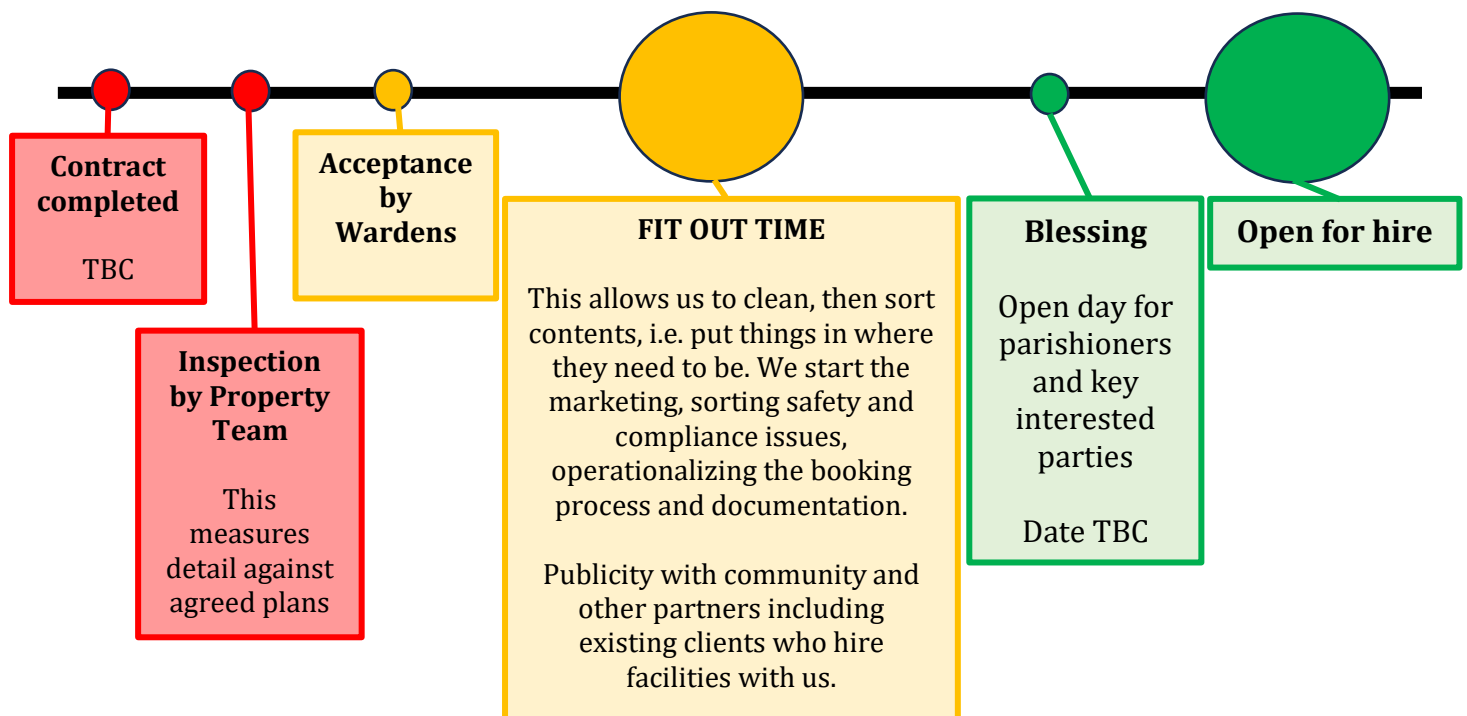

Easter is a time for new beginning and that means we are on a count down to see stage one of the Community Hall redevelopment move towards completion. The build time has extended more recently due to a delay in receipt of sign off from the Council for the northwest corner that presented an unforeseen challenge.

Many of you have asked about progress and when you will have the opportunity to see the completed project. While PDAT (a subcommittee of vestry) is the team that has worked with White Construction on all the details there are other teams involved.

We are getting ready to manage the transition of a hand over from the contractor and a building site to possession by the Parish. This involves Property, Technology as well as the Admin subcommittees - there are key things that need to be done for it to be operational.

Here is the timeline so you understand the process and actions/events needed to make it happen

Timeline we are working on for completion

Congratulations Robert!

Peace Without Limits

If we believe that **everybody is equal in dignity** and rights we need to learn to **stop judging** or being afraid of other people, because they look different to us, or we see them as not of the same value... I strongly believe if we could all **close our eyes when we meet people**, even if this was figuratively, there might be a chance we could **get to know people before we judged them**. Then we might just achieve **peace without limits**.
