NAUMAI, HAERE MAI! MALO E LELEI! TALOFA! 欢迎 (HUĀN YÍNG!)

Welcome all who are with us in person or online

Sentence: 'The Lord has risen indeed, alleluia!'

Luke 24:34

Collect: Glorious Lord of Life,
we praise you,
that by the mighty resurrection of your Son,
you have delivered us from sin and death
and made your whole creation new;
grant that we who celebrate with joy
Christ's rising from the dead,
may be raised from the death of sin
to the life of righteousness;
for he lives and reigns with you and the Holy Spirit,
one God for ever.

Amen.

Prayers this week

The Lord has done it this very day;
let us rejoice today and be glad!

Let us pray.

Whāia, whāia te ara Matua,

Whāia te ara Atua...

Ko te mauri o te rangi ka hono

Ko te mauri o te papa ka tau.

Kua ara a Ia!

He pono: kua ara a Ia!

Seek and you shall find the way of the Lord;

Seek and you shall find the way of God.

Let the heavens bear witness.

Let the Earth declare Your peace

For He is risen!

He is risen indeed!

Jesus,

On this day of all days

We live still in the promise.

May Your Holy Spirit be present

With us, and through us,

To those living with loneliness,

want and illness;

and the darkness of war

and unrelenting selfishness.

To those living in fear, persecution

and chaos,

May they too know Your risen life, Your love

And the hope of Your Rangatiratanga.

Amen

Community Hall Update

All good things take time and we are nearly there...

This week sees the completion of the internal work on our Community Hall and now the attention turns to completing all the paperwork for the application for a Code Compliance Certificate (CCC) from Hutt City Council. As such, this task falls to our contractor White Construction Services, who ensures that his work and that of the subcontractors meets the required standard including their licenses to perform that work.

We have opted to hold off on one section of concreting around the porch and entrance to the building as that will be completed once the CCC is granted.

A Code Compliance Certificate is a formal statement issued under section 95 of the Building Act 2004, that building work carried out under a building consent complies with that building consent.

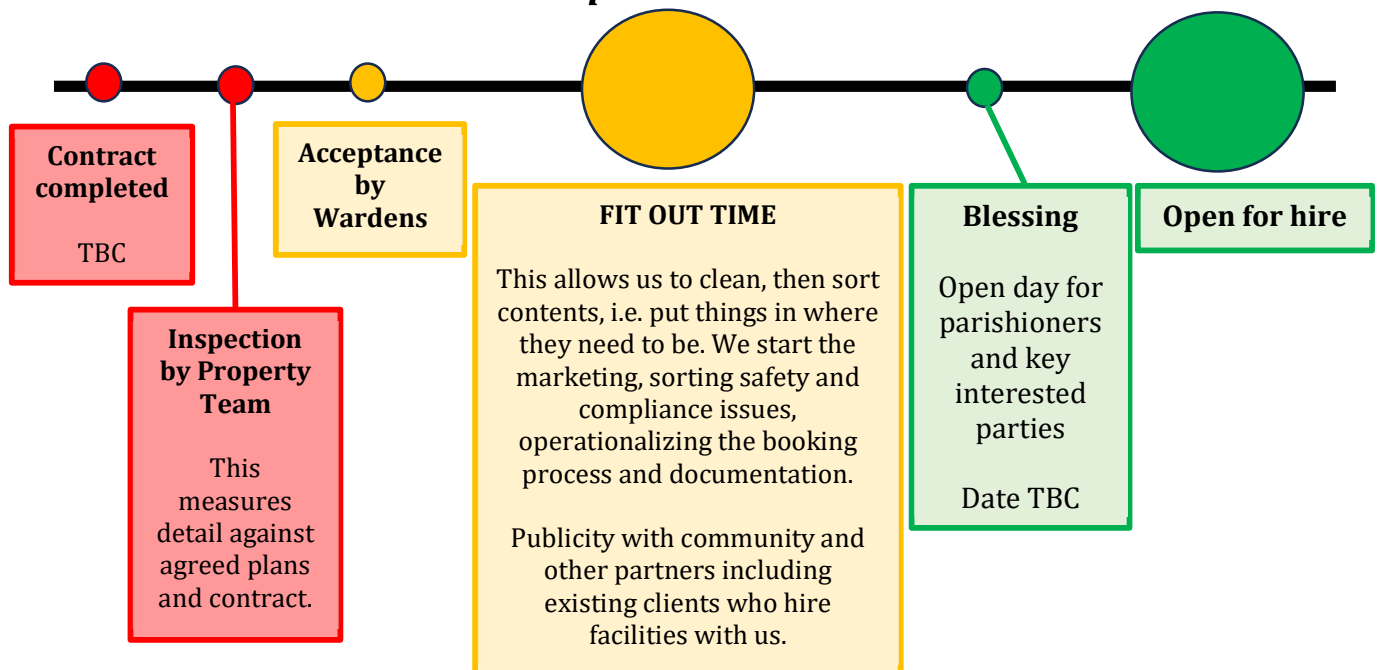

It is an offence to use or permit the use of public premises affected by building work that has no code compliance certificate, certificate for public use or certificate of acceptance.

Building owners, occupiers or controllers need to ensure any building work affecting public premises has a code compliance certificate, certificate for public use or certificate of acceptance before the part of the premises affected by the building work is used by members of the public.

As you can see, we must now sit and wait for the process to complete. Until the CCC is granted it remains a building site and we cannot proceed to fit out or bless the building and allow everyone a chance to view and enjoy the new facility.
